Official Announcement of Partnership and Appointment of Exclusive Distributor in Japan

Dear Customer,

It is with great satisfaction that we share an important achievement that marks a new chapter in our journey of international expansion and consolidation.

Naturasuc, always committed to the highest quality standards in the production of fruit derivatives, has just signed a **strategic partnership and exclusive representation agreement with the Japanese company Miyauchi International Trading Inc. ("Miyauchi")**.

Through this agreement, we formally appoint **Miyauchi** as our sole and exclusive official partner for the import, marketing, distribution, and logistical positioning of our premium line of concentrated grape and apple juices throughout Japan.

What does this appointment represent for the market?

- **Guaranteed Origin and Technical Rigor:** Our concentrated juices maintain the original sensory and nutritional characteristics of the fruit, fully meeting the strict technical, product safety, and health requirements of the Japanese market.
- **Integrated Logistics and Specialized Service:** Miyauchi 's robust distribution network and deep market knowledge ensure that the beverage, food, and *foodservice industries*... In Japan, they receive local support in a quick and efficient manner.
- **Focus on Expansion and Innovation:** This partnership establishes a firm foundation for the gradual growth of export volume and paves the way for the future introduction of new products from our portfolio to the Asian market.

"The partnership with Miyauchi represents a fundamental milestone in our internationalization strategy. Japan is a highly qualified market, and having an exclusive partner with Miyauchi 's reputation gives us the assurance that our grape and apple juices will reach the Japanese consumer with the utmost excellence."

— Gustavo Machado, CEO of Naturasuc

We are excited about the next steps, as the first commercial lots have already been...

Our products are currently undergoing logistical preparation for shipment to Japan. We reaffirm our ongoing commitment to bringing the best of our local production to tables and industries around the world, always maintaining the transparency and excellence that you, our customer, already know and trust.

For questions or additional information about this foreign trade operation and new business opportunities, our The sales team remains at your complete disposal.

We appreciate your continued partnership and trust.

Yours sincerely,
Gustavo Machado
CEO Naturasuc
